

Occupational Hygiene Association of Ontario Opportunities – Top Three Ways to Get the Most out of your OHAO Membership!

1. Volunteer on a Committee

OHAO has several different committees that work on everything from the programming of educational content to creating articles for the OHAO Forum newsletter. Volunteering on a committee is one of the best ways to benefit from your OHAO membership. Please review the various committee overviews below and if you are interested in becoming involved contact office@ohao.org

Committees include - **Communications** (website, social media and OHAO Forum newsletter), **Education** (planning for PDCs, conferences and webinars), **Membership** (reviewing new member applications), **Awards** (administering awards programs), **Mentoring** (organizing mentorship opportunities), **Stakeholders** (reviewing and submitting for consultation opportunities).

2. Become a Mentor (or Mentee!)

The OHAO Mentorship Program provides opportunities for interaction and exchange of ideas and knowledge between seasoned and early career occupational hygiene professionals. Mentors can give back to the profession and earn CMP points, Mentees can get access to information and insights that could help them with their career. More details are available at www.ohao.org including the application link.

3. Promote Occupational Hygiene

OHAO has developed a PowerPoint presentation that can be used by members to promote occupational hygiene in their community through schools or other interested groups. Contact office@ohao.org if you are interested in accessing the PowerPoint presentation. Also, follow us on LinkedIn and share our postings to your network to promote OHAO and OH in general.

Other OHAO member opportunities include listing your company in our online Consultants Directory (this is a paid listing but only members can list), member rates for career postings specific to occupational hygiene on the OHAO website, opportunities to submit input for various consultations, acquiring professional development points for attending OHAO educational Professional Development Courses (PDCs) and Conferences, serve on the OHAO Board of Directors and more.

If you have any questions regarding OHAO please contact office@ohao.org
